None	90
Payment Issues	3

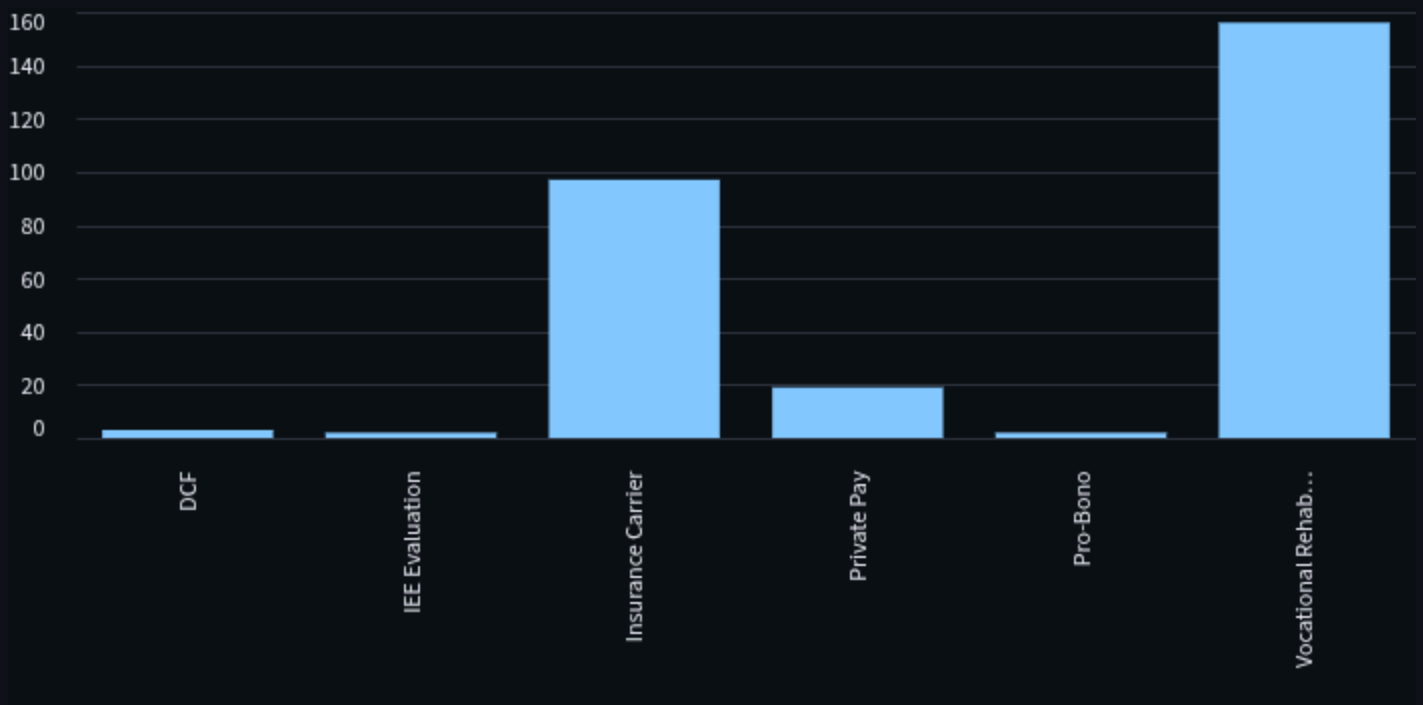
Report Status based on Referral Source, Eval Type, Month

Referral Source

The three most common referral sources are VR, insurance carrier, and private pay in that order.

The other sources are used infrequently.

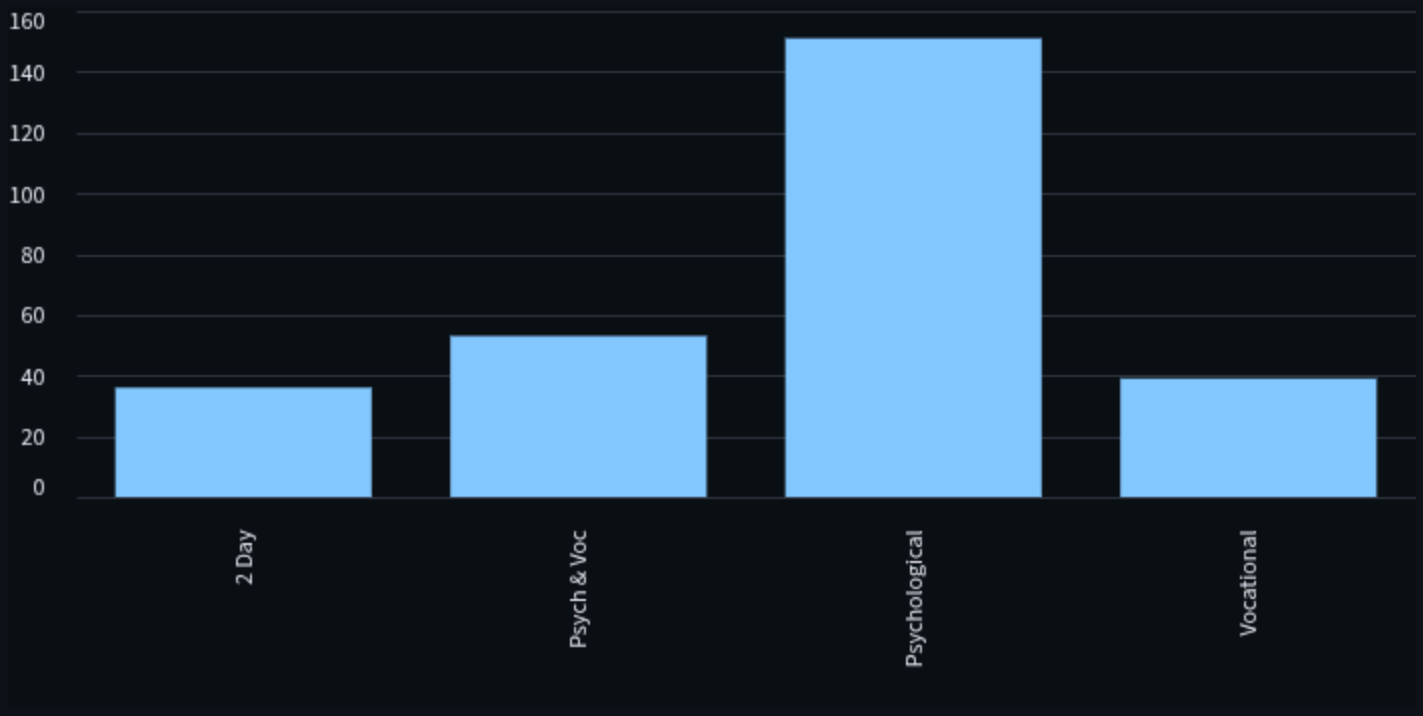
Referral Source	count
Vocational Rehabilitation	156
Insurance Carrier	97
Private Pay	19
DCF	3
Pro-Bono	2
IEE Evaluation	2



Eval Type

Psychological is the most common evaluation type.

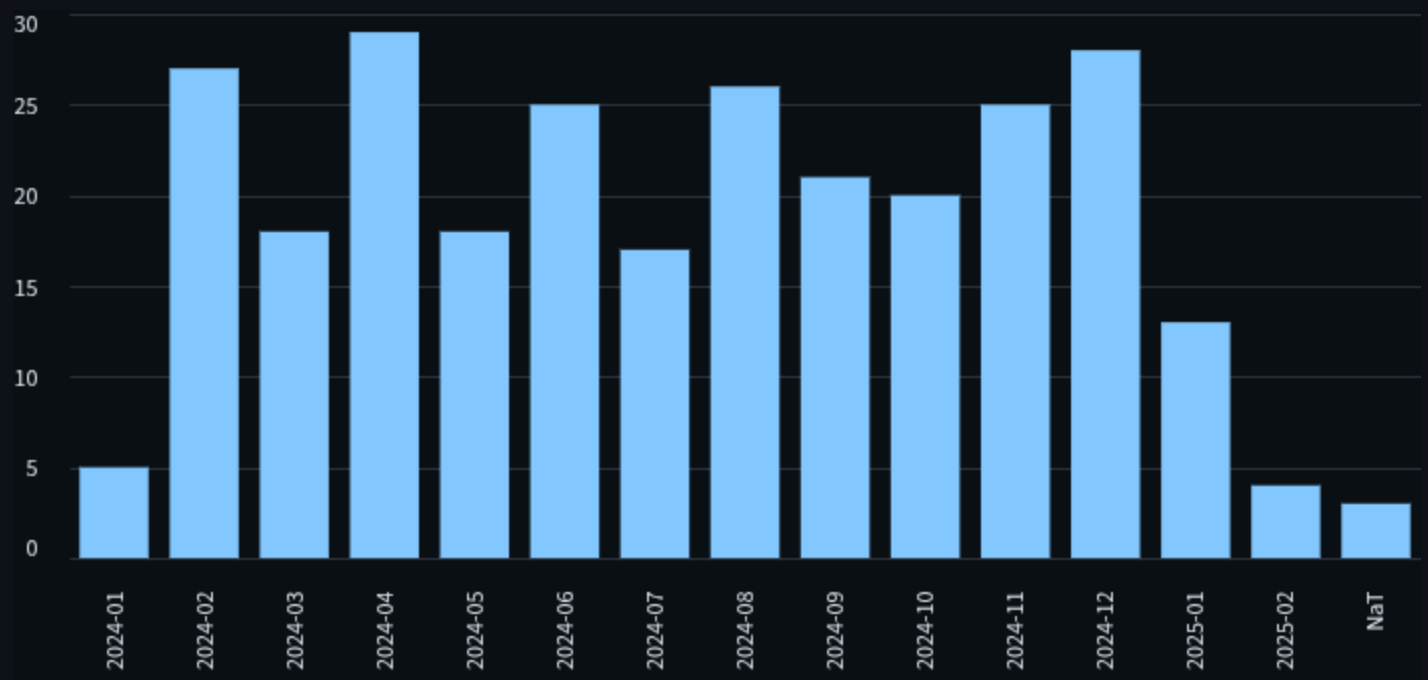
Eval Type	count
Psychological	151
Psych & Voc	53
Vocational	39
2 Day	36



Month

The amount of evaluations per month appears to fluctuate on a monthly basis, though fairly steady with the exception of the beginning of 2024 and 2025

Month	count
2024-04	29
2024-12	28
2024-02	27
2024-08	26
2024-06	25
2024-11	25
2024-09	21
2024-10	20
2024-03	18
2024-05	18



Investigating payment issues

All 3 payment issues were from Orlando or the Orlando office, were Psychological eval type, and had a referral date within a span of less than 2 months.

2 of the referral sources were private pay, with one being from an insurance carrier.

	Client Name	Referral Date	Eval Date	Referral Source	Eval Type	Location
69	Allison Young	2024-04-04 00:00:00	2024-04-16 00:00:00	Private Pay	Psychological	Orlando
86	Darrell Owen	2024-04-25 00:00:00	None	Private Pay	Psychological	Orland Offic
111	Andrew Mora	2024-05-28 00:00:00	2024-06-19 00:00:00	Insurance Carrier	Psychological	Orland Offic
